Advancing geography
and geographical learning

Year	Name	Expedition
1964	Miss J M Mitchell	Oxford University Women's Expedition to Bijapur
1964	Miss V M Plumstead	Oxford University Women's Expedition to Iceland
1965	Susan Bucknell	Oxford University Women's Expedition to Appalachians
1966	Clare Dallyn	Oxford University Women's Exploration Club Expedition to El Salvador
1967	Gillian Johnson	Oxford University Women's Expedition to Cyprus
1968	Miss P Green	Oxford University Women's Expedition to Arctic Norway
1968	Miss M Carpenter	Oxford University Women's Expedition to Arctic Norway
1969	Jennifer Wort	Oxford University Women's Expedition to the Canary Islands 1969
1970	Linda Partridge	Bird behaviour studies, Ceylon
1970	Ruth Ashcroft	Bird behaviour studies, Ceylon
1972	Judy Skelton	Oxford University expedition to Mexico 1972 – Texcoco Valley
1973	Dafila Scott	Ornithological Studies, Madagascar
1974	Sally Williamson	Study of Tana River Terraces, Norway
1974	Susan Wright	A socio-geographical study of a village in Iran
1975	D A Jackson	Oxford University Expedition to the Mae Sa Valley, Thailand

1976	H Prescott-Decie	Study of oriental art in Sumatra and Java.
1976	R A Cockerill	Study of invertebrates in Kenya, Tsavo National Park
1977	Annie Galliano	Study of economic change in Malta
1977	Susie Pitt	Study of economic change in Malta
1977	Flora Lyon	Study of economic change in Malta
1977	Belinda Fuchs	Study of feeding behaviour of the Markhor
1977	Rita Gardner	Study of environmental change in South India and Sri Lanka
1978	Diana Stent	Oxford University Expedition to the Kharga Oasis
1978	Ann Marshall	Oxford University Expedition to the Kharga Oasis
1978	Francesca Barnes	Oxford University Expedition to the Kharga Oasis
1978	Nina Morgan	Geological Fieldwork Examining Carboniferous Mud Mounds
1979	Laura Garwin	A study of the tourist industry in selected parts of Arctic Norway
1980	Catherine Waddington	Oxford University Greenland Expedition
1981	Gillian Porter-Goff	Rodents in Sri Lanka
1981	Rachel Baggaley	American Trypanosomiasis (Chagas Disease)
1982	Mary Marlow	Material, culture, crafts and costumes of Tamang people of Sersium, Central Nepal
1982	Katherine Farr	Oxford Geological Expedition to Finnmark, 1982
1982	Hanya Dezyk	Oxford Geographical and Geological Madeira Expedition
1982	Katherine Harwood	Oxford Geographical and Geological Madeira Expedition

1983	Heather Viles	Limestone Study in the Seychelles
1983	Dawn Podmore	Study of the Barbadian Sugar Industry
1983	Pippa Wicks	Jamaican Expedition
1983	Belinda Stewart-Cox	Expedition to China: How the people of a Hani village have adapted their traditional lifestyles to commune agriculture.
1984	Madelyn Hicks	Mutillid Mimicry Rings on Alishan Mountain
1984	Vanessa Winchester	Lichenometry Fieldwork in Arctic Norway and Sweden
1984	Helen Elizabeth Martin	San Juan Mountains
1985	Genevieve Leaper	Faroe Islands expedition
1985	Deborah Nagan	Mental Mapping'; A study of tourists in new destinations.
1985	Julie Abisgold	Hong Kong Expedition
1985	Anne Sprightly Ryan	Fluvial Geomorphology in Costa Rican Tropical Rainforest
1985	Helen Elizabeth Martin	Oxford University Expedition to Colorado
1986	Rebecca Francis	Survival Strategies of Famine Refugees in Omduran, Sudan
1986	Claire Dwyer	Village Attitudes to Health and hygiene in west Bengal
1986	Lesley R W Ndegwa	Study into the Use of Wood as a Rural Household Energy Source in Kenya
1987	Rachel Lambert	Aborigines and Torres Strait Islanders in Cairns, Australia
1987	Diane Horn	Sediment Transport on Beaches in Northern France
1987	Aditi Chatterji	The Changing Nature of the Indian Hill Station, Himal Pradesh
1988	Heidi C Hauffe	Namib Desert Investigation

1988	Tasmin Jewell	A study of Differential Child Survival in the Slums of Calcutta
1988	Sara O'Hara	Anthropogenic Accelerated Erosion in Central Mexico: A Stratigraphical Perspective
1988	Vanessa Collingridge	A Study of Primary Healthcare for Women and Children
1988	Sadie King	A Study of the Inter Relationship Between Middle Class Families and Their Domestic Servants in Lomas Verdes, Ciudad Satellite, Mexico
1989	Jane Boygle	Soil erosion in Hagowatn Iceland
1989	Aisling Byrne	Ethno-Botanical Studies in the Tambopata Reserve, Peru
1989	Ruth Jones	An Investigation of the Igneous and Metamorphic Rocks and Minerals near Mono Lake, Sierra Nevada
1989	Sarah Muscroft	Truk Lagoon - A Dependent Island Economy
1989	Elizabeth Pickett	Geological investigation of Late Precambrian sandstones and tillites of the Tanafjord region of Varanger Peninsula Norway
1989	Halcyon Nicola Wills	Geological investigation of Late Precambrian sandstones and tillites of the Tanafjord region of Varanger Peninsula Norway
1990	Sarah Howard	Oxford University Expedition to the Indian Coast of Nicaragua
1990	Claire Brown	Human-environment interactions of the Maya civilisation, in the past and present.
1990	Tan Pin Pin	Photo Essay of China
1990	Joanna Kettle	Urban Fuelwood Use: Crisis in Malawi, Blantyre
1990	Jennifer Leonard	Geological Mapping Project, Aragon, Spanish Pyrenees
1991	Rhian Sherrington	Glacier survey, Karakoram, Pakistan.
1991	Cecilia Luttrell	Oxford University Expedition to the Cook Islands
1991	Suzanne Turner	Gender Structure, Santo Domingo, Mexico
1991	Suzanne Ross	Gender Structure, Santo Domingo, Mexico

1991	Kristy Gaston	Oxford University Expedition to Rajaji National Park, North India
1991	Louise Groves	Oxford University Expedition to Rajaji National Park, North India
1991	Katie Willis	Women's work and the use of social networks in Oaxaca City, Mexico: A Class Analysis
1992	Dorothy Satterfield	Sedimentary History of a Senonian Foreland Basin, Languedoc, Southern France
1992	Tiffany White	Oxford University Xiao Ping Yang 1992: Expedition to China
1992	Nicola Blackburn	Effects of Artificial Freshwater Supplies on the Local Environment in Zinder, Niger
1992	Cecilia Luttrell	Oxford University Expedition to the Ujung Kulon National Park, Indonesia
1993	Fiona Dalton	Oxford University Expedition to Ladakh
1993	Katherine Halliwell	Oxford University Expedition to Ladakh
1993	Cecilia Luttrell	The Effect of Tree-fall Disturbance upon Seedling Composition, Krakatau Islands
1993	Nike Doggart	Oxford University Expedition to Belize
1994	Diana Hewley	Blue Jewel 1994, The Oxford University Expedition to Ecuador
1994	Sophie Honey	Blue Jewel 1994, The Oxford University Expedition to Ecuador
1994	Susan Hawley	Indigenous theology and religious nationalism among the Miskitu Indians of Nicaragua
1994	Rebecca Smith	Ethnic, class and gender relations in the production process of knitwear in Otavalo, Ecuador
1995	Katherine Turner	The Human Impact Over the Twentieth Century upon the Natural Environment of Signal Hill, Cape Town, South Africa
1995	Mavi Tzaig	Pachamama: Oxford University Cuzco Ethnomusical Expedition, Peru
1995	Sara Lourie	The Diets of Malaysian Cave Swiftlets
1995	Alexandra Conder	Research Expedition to Krakatoa, Indonesia

1995	Peronel Smith	Oxford University Forest Pathology Expedition to Alaska
1995	Tina Pang	Art as a source of anthropological inquiry, China
1996	Janet Banfield	The Role of Personal Earthquake Experience as a Determinant of the Household Preparedness for the Earthquake Risk – The Case of Northridge California
1996	Catherine Parr	Pilanesberg 1996: A study of waterhole ecology
1996	Lucy Claire Kelly	Mangaia 1996 - A Conservation Project in the Cook Islands
1996	Ann Kirkham	Population Sampling: A Challenge for the 1996 South African Census
1997	Katherine Gooding	Women's Survival Strategies in Barbados
1997	Rachel Atkinson	The Population Genetics and Ecology of gall Wasps in Relation to their Invasion Across Europe
1997	Melanie Feakins	Small Firms, Access to Capital, and Prospects for Economic Development: Warsaw, Poland
1998	Katherine Martindale	Post-War Urban Reconstruction: Sarajevo
1998	Saritha Wilkinson	Socotra – Conserving the Endemic Species
1998	Clare Smith	Zuni Traditional Ecological Knowledge in Contemporary Society
1998	Helen Steers	Patterns of species co-occurrence in tropical lowland forest, South West Mexico
1999	Katherine Vincent	Alternative Income Streams in Indonesia: Use of Rompongs in Fishing Practice
1999	Jessica Barnes	Sand Dune Migration & Management of the Kwis River Delta, Namibia
1999	Julia Thomas	The Commonness & Rarity of Tree Species in Tropical Lowland Deciduous Forest
1999	Monika Kashimbaya	The Commonness & Rarity of Tree Species in Tropical Lowland Deciduous Forest
1999	Katie Hampson	Polillo Project 1999
1999	Hilary Murdoch	Water Resources in the Sinai Desert

2000	Jane Battersby	Between Home, Street and School: The Impact of Education(s) on Coloured Identities in the Western Cape, South Africa
2000	Joanne Hemmings	The Annual Reed Dance, Swaziland
2000	Jessica Metcalf	Nosy Hara – Radama Islands Survey Initiative
2000	Nora Shultz	Andinoherps 2000: Oxford University Expedition to the Amphibians and Reptiles of the High Andes of Northern Ecuador
2003	Lucy Bale	Community Based Initiatives in Rural Botswana: Providing Opportunities and Empowering Local People through Livelihood Diversification
2003	Elizabeth Bishop	Maasai Schooling Strategies: A Case Study of Engare Naibor, Tanzania
2004	Clare Buckley	Oxford University Vulture Research and Local Awareness Expedition, Waterberg Plateau, Namibia
2004	Kerry-Anne Mairs	Geomorphology and Settlement in the Faroe Islands: An Analysis of Human-Environment Interactions
2005	Kelly Edmunds	Feeding the Pigeons: Supplementary Feeding and Wild Foods in the Endangered Pink Pigeon
2005	Emma Clifton-Brown	Research into Schistosomiasis in Malawi (RISE Malawi)
2006	Caitlin O’Neil	Social Exclusion in Cambodia: An Investigation into How Khmer Women with Impairments Negotiate Socially-Constructed Notions of ‘Disability’
2006	Julia Toone	The River Morphology of the Drôme
2007	Katherine Fitzpatrick	Investigation of environmental tolerances of key food resources of the critically endangered Andean Brown-headed Spider Monkey
2007	Lindsay Banin	Cross-continental comparison of tropical forest structures and dynamics
2008	Mojca Kralji	Detecting the Nitrogen Input Caused by Inappropriate Sanitary Practices in Relation to Eutrophication in Slovenian Alpine Lakes Using Diatoms and C/N Ratio
2008	Kate Hardy	Comparative Geographies of Sex Workers Organising: the case of Argentina
2009	Venetia Phillips	Attitudes of the Maasai on the Mbirikani Group Ranch towards the Predator Compensation Scheme
2009	Melissa Fedrigo	Biomass Estimation and Change in Spatial Extent of Woody Vegetation in Serengeti National Park, Tanzania
2010	Sarah Owen	Geological Origins of Sugar Loaf Peaks in Eastern Brazil and their Environmental Importance as Refugia for Atlantic Rainforest Preservation

2010	Sarah Chandler	Fairtrade Practices and Indigenous Politics in North-Western Argentina
2011	Eleri Dare-Edwards	Comparative Study into the Role of Women's Self-help Groups in the Empowerment of Women: Case Study in South India
2011	Jennifer McAteer	An Evaluation of Beach Village Committee Management of Sustainable Fishing Methods in Liwaladzi, Malawi
2012	Krystyna Koziol	The provenance, composition and fate of organic carbon on an Arctic glacier.
2012	Phoebe Mottram	Fady and the Future: the Threats facing Southern Madagascar's sacred Forests and Spiritual Taboos
2013	Lucy Bune	An investigation into the social impacts of garment factories on the surrounding community in the Moneragala District in the Uva Province of Sri Lanka
2013	Jennie Harvey	Assessing the Effect of Formal Schooling on Ethnomedicinal Knowledge Distribution among the Chagga of Kilimanjaro Region, Tanzania
2014	Sarah la Hannam-Deeming	In what way do current and past property laws within Mexico, effect land rights and thus human rights of indigenous communities in Chiapas
2014	Jennifer Adams	Pollution and Climate Change Impacts on Productivity and Biodiversity in the Selenga River Delta, Lake Baikal: a Siberian Ramsar Wetland of International Importance
2015	Santeri Lehtonen	Exploration of rates of tundra shrub expansion across Arctic climate gradients
2015	Sarah Morton	The Legacies of the Repatriation of Human Remains
2016	Emiel De Lange	Monitoring the impacts of a conservation ecotourism programme
2016	Rudra Rhodes	Slum Entrepreneurship: Rethinking the Representation of Dharavi
2017	Matthew Gleeson	Tracking the evolution of Galápagos volcanoes
2017	Keiko Nomura	Fate of forests in oil palm concessions in Southern Myanmar
2017	Wilfred Woolf	The paleo-environmental evolution of a coastal lagoon and barrier with regards to assessing the potential impacts of rising sea levels at Watcha Pond, Martha's Vineyard.
2018	Gabriele Warwick	An ethnographic perspective on agroecology as a conservation strategy amongst rural small-holders in Acre, Brazil
2018	Tanith Hackney-Huck	The Impact of Selective Logging on Avian Biodiversity in a Malaysian Rainforest
2019	Jennifer Mallon	Quantifying blue carbon sequestration and storage on Caribbean coral reefs

2019 Rachel Utting Collecting Leviathan: curiosity, exchange and the British Southern Whale Fishery (1775-1860)

2019 Anna Davison Differences in herpetofaunal community assemblage between human-influenced and natural habitats on Utila Island, Honduras
