Using **Panoramio** from Google

Go to **http://www.panoramio.com/**

1. **Sign in** or **Sign up** to access an account for yourself

2. Go to **Upload your photos**

3. **Browse** to find a photo (from your computer)

4. **Upload** it

5. Add a **title** (and notes if wanted)

6. **MAP** the photo

7. **FINISH** and view your photo e.g. in Google Earth

8. Check the **PROPERTIES** of your photograph. *Right* mouse button – then *highlight* and *copy* the URL… (i.e. to paste into Google Maps).
